

PIRATES OF PORTOBELO

PORTOBELO & CARIBBEAN SEA

FULL DAY

Suggested age: 6 years and up

The Experience

The **Pirates of Portobelo** exploration begins with a new twist to reveal the unknown path of the pirates of the Caribbean side of Panama, discover the place where the battles for dominance took place. Unwind sailing the **Caribbean Sea** and all its marine treasures from the surface and underwater: kayak, snorkel and enjoy a private Caribbean beach.

The Highlights

Portobelo

Probably named by Christopher Columbus as “Beautiful Port” in 1502 Portobelo became the main point for the trade of Spaniard ships between Europe and Central and South America, which were laden with the gold of the Incas and Aztecs after these treasures crossed the Isthmus from the Pacific Coast. Because of this, Portobelo became the target of attacks by Pirates like Sir Francis Drake. Portobelo has a rich culture since it is home to the Congo Culture, in the past slaves were trade here. Now-a-days this culture has become a very interesting mixture of two worlds.

Caribbean Sea

The **aquamarine shallow waters** of the Caribbean Sea will welcome explorers in a colorful journey with **marine creatures and coral reef formations**. The mixture between white sand and the living sounds of the rainforest is the perfect scenery to play and enjoy with curated flexible activities for everyone: a secluded **beach, snorkeling, kayaking, swimming or just relaxing on board**.
