The Experience

Explore the oldest part of Panama, a land of legends where pristine turquoise waters mix with exotic marine and land wildlife. The scenery found here is out of this world, is like sailing on a fish pond above coralline and rock formations. The culture is one of the most interesting of Panama. Travelling back in time Escudo de Veraguas was populated by the Ngobe-Bugle who had the magic power of taking it's enemies soul who fought against them in their territories.
